Dear Partner,

Matica is pleased to announce further improvement and strengthening of our sales organization by creating a dedicated ID Printers and Supplies sales entity for EMEA region.

ID Printer and Supplies enhancement will create new growth opportunity for our global customers and enable you to further develop your business with Matica System.

**We are pleased to announce that Mr Christophe Malgorn recently joined Matica as ID Card Printers & Supplies Sales Consultant for the EMEA Region.**

Christophe comes to us with excellent ID Printers and card industry knowledge; he has held sales management positions with leading companies including Zebra Technologies where he had held positions as Asia Pacific Sales Manager and Regional Manager Southern Europe, Middle East, Africa and Indian Sub Continent.

Christophe will be working from France and he is available to serve your needs on day to day basis.

In addition to Christophe's assignment to the region, we have taken several steps to help you grow your business with us.

The sales and marketing services are enhanced to serve the needs of ID Printers and Supplies order receipt, processing and general customer care.

Christophe will be calling you soon to introduce himself and to establish communication for future business.

#### ORDER PROCESSING

If you currently are a signed up customer and you already buy embossing systems and ID Printers and Supplies with us, the sales management will contact you to discuss your ID printer and supplies agreement going forward.
