

January 12th, 2010

Dear Customer,

Year 2009 has been an interesting experience for our business and our partnership with you.

Matica's global business and strategic partnerships continue to evolve positively to create strong business opportunity for our global customers (you) and expansion of our joint business. As part of this global Business Development Strategy execution, we are further strengthening our Business Development Organization. We are pleased to announce that Mr. Ferdinando Filippone has joined us as Director of Business Development.

Ferdinando has many years of business development experience. For past 10 years, as participant in the industry; he developed businesses in Financial and Government segments with speciality in peripherals and card systems / solutions. Ferdinando will report to Matica's COO, Veraje Anjargolian.

Effective January 11th, 2010, Ferdinando will be leading EMEA Business Development Team and Customer Care organizations. He will also be personally responsible for Global Strategic and Key Customers. Ferdinando will use his extensive experience to initiate solution offerings to enhance the competitiveness of our products and services.

He will be working from the headquarters in Paderno Dugnano (Milan, Italy).
